How does golf equal long term success you ask? Allow us to explain.

The primary role of the Stanwood Chamber of Commerce is to help our members. Success is good, but we want to take that to the next level and help our businesses thrive! Our growing community is in need of a direction and greater service. This is what our Education Committee is here to do and we need your support with our main fundraiser for the year, the Annual Golf Classic. Whether it is a donation, sponsorship, prizes, volunteers or a team of 4 to golf, your support is valued and appreciated.

The Stanwood Chamber wants your business to thrive. Thriving businesses attract more business. More *quality* businesses increase our *quality of life*. This attracts more residents who will continue to shop at your business and the circle continues.

Now, this doesn't mean we will grow out of control nor will it happen overnight. But, we *will* succeed and our businesses will thrive. When we all pull together and create a community that is united, we will accomplish far more than you can imagine or would be possible individually.

Our chamber is run on volunteers, community involvement and your donations. It is these donations that we rely on to fund our long term success.

We ask for your support and participation with our major fundraiser, the 6th Annual Golf Classic. This event is about more than golfing. This is about taking your business to the next level. Golf for the long term success of your community and your business. You'll be glad you did!

Increase your quality of life. Help our businesses. Tee off on July 30th!

Let's make a difference!
